**TAKE CONTROL of your community – VOTE YES for new medians!**

**Grab that ballot mailed to you on April 18<sup>th</sup>**  
*You lose it, you don't vote!*

**T**he one and likely only opportunity to beautify the San Pedro Road medians that lead to your home will happen this month.

For \$75 per parcel per year the 27 medians from Union Street at Montecito Shopping Center to Biscayne Drive at Peacock Gap can be turned into a beautiful roadway for you and your neighbors.

You will be receiving a ballot in mid-April to make all of this come true. Simply vote “yes” when you receive your ballot in the mail.

Be proud of your community. Make San Pedro the beautiful road it once was.

There is no other option. The City has no budget to even cut weeds in the future.

More than half the ballots timely mailed must vote “yes” to landscape the medians.

Join 215 of your neighbors who raised more than \$68,000 to have the engineering study done and the ballot mailed to the community.

Be proud. Be a community. VOTE YES.
